

**PCN1050
End-of-Life Notification
CPC75282**

April 5, 2017

To Our Valued Customers:

As part of our ongoing product lifecycle management process, we have transitioned the following products to an “End-of-Life” status. This decision was based on our review of historical unit shipment volume and product revenue performance.

The products targeted for end-of-life will be available for a last time buy purchase prior to being made obsolete. Attached are the details of the product obsolescence. The products identified for obsolescence include the following Line Card Access Switch (LCAS) devices:

- CPC75282KA 44-Pin TQFP, 37/Tube
- CPC75282KATR 44-Pin TQFP, Tape & Reel, 1000/Reel

IXYS Integrated Circuits Division recommends reviewing the CPC7692 family of LCAS devices for a possible replacement. Please contact applications engineering for design support.

Orders will be accepted on material that is built and in stock commencing with the date of this notice. Scheduled deliveries will be permitted within 90 days of this notice and will not be offered after August 9, 2017. Thereafter, these products will be considered obsolete.

Acceptance of last time buy orders is subject to product availability and at the discretion of IXYS Integrated Circuits Division. Every effort will be made to fulfill these orders. Purchase orders for these products will be considered non-cancelable, non-returnable (NCNR). If you have any questions concerning this End-of-Life notification, please contact your IXYS Integrated Circuits Division representative.

Sincerely,

Steven Andrezyk
Director of Marketing

Part Change Notification

The PCN number assigned to the change is **PCN1050** and should be referenced in any correspondence related to the change.

Products Affected

CPC75282KA, CPC75282KATR

Detailed Description of Change

IXYS Integrated Circuits Division has transitioned the CPC75282 device to an End-of-Life status and recommends the CPC7692 family of LCAS devices for a possible replacement.

Reason for the Change

End-of-Life based on historical unit shipment volume and product revenue performance.

Anticipated Impact on Quality and Reliability

None. Parts will be offered for last time buy until August 9, 2017.
