**PCN1051
End-of-Life Notification
CPC5601**

April 27, 2017

To Our Valued Customers:

As part of our ongoing product lifecycle management process, IXYS Integrated Circuits Division has transitioned the following products to an "End-of-Life" status. This decision was based on the review of historical unit shipment volume and product revenue performance.

The products targeted for end-of-life will be available for 90 days prior to being made obsolete. Attached are the details of the product obsolescence. The products identified for obsolescence include the following Auxiliary Programmable Driver IC devices used with the LITELINK Phone Line Interface IC:

- CPC5601D 16-Pin, 14-Lead SOIC, 50/Tube
- CPC5601DTR 16-Pin, 14-Lead SOIC, 1000/Reel

Note: This change will not affect other LITELINK devices. For additional design support, please contact applications engineering:

Applications Engineering Department
IXYS Integrated Circuits Division
78 Cherry Hill Dr.
Beverly MA, 01915
Phone: 978-524-6700

Orders will be accepted on material that is built and in stock commencing with the date of this notice. Scheduled deliveries will be permitted within 90 days of this notice and will not be offered after July 26, 2017. Thereafter, these products will be considered obsolete.

Acceptance of last time buy orders is subject to product availability and at the discretion of IXYS Integrated Circuits Division. Every effort will be made to fulfill these orders. Purchased orders for these products will be considered non-cancelable, non-returnable (NCNR). If you have any questions concerning this End-of-Life notification, please contact your IXYS Integrated Circuits Division representative.

Sincerely,

Steven Andrezyk
Director of Marketing

Part Change Notification

The PCN number assigned to this change is **PCN1051** and should be referenced in any correspondence related to the change.

Products Affected

CPC5601D, CPC5601DTR

Detailed Description of Change

IXYS Integrated Circuits Division has transitioned the CPC5601 device to an End-of-Life status.

Reason for the Change

The End-of-Life decision is based on historical unit shipment volume and product revenue performance.

Anticipated Impact on Quality and Reliability

Parts will be offered for last time buy until July 26, 2017. This change will not affect other LITELINK devices.
