December 3, 2020

PCN1089

Detailed Description of Change

As part of the Littelfuse IXYS Integrated Circuits Division's (ICD) product lifecycle-management process, the following Cybergate Data Access Arrangement (DAA) Modules have been transitioned to an "end-of-life" (EOL) status:

- CYG2000
- CYG2011
- CYG2020
- CYG2100
- CYG2110
- CYG2111
- CYG2217
- CYG2218
- CYG2320

In order to satisfy any continuing requirements for these DAA Modules, we are offering a non-cancelable last time buy (LTB). Orders for LTB quantities must be received by March 3, 2021, and all LTB product should be shipped by April 2, 2021. Acceptance of last time buy orders is subject to product availability. Once placed, LTB orders cannot be cancelled, rescheduled, or returned.

Suggested integrated circuit replacements for the above DAA Modules may be found on our web page:

<https://www.ixysic.com/Products/LITELINK.htm>

<https://www.ixysic.com/Products/MultifuncPro.htm>

These devices will require a PC board redesign. Our Applications Engineering group is available for consultation.

The PCN number assigned to this action is **PCN1089** and must be referenced in any correspondence related to the change.
